RECEPTION TENT

Hawkesdene provides an attractive professional grade 30' x 40' clear or white top tent for weddings and events and will automatically place a deposit for your tent when you confirm your wedding as a 'just in case'. A tent is always available for any size group but is needed for a reception group size exceeding 75 guests in order to allow your guests enough room in the pavilion for reception stations and dancing and also to protect the dining tables set up on the adjacent courtyard and under the stars from rain. Together we will make the final decision 72 hours prior to your arrival depending on the weather forecast. There are two tents available; a 30' x 40' White Top Tent is priced at \$975, and a 30' x 40' Clear Top Tent is \$1,875. These rates including delivery, set up and breakdown. Add clear sides for \$175. We have a 170 BTU heater available for your use for the pavilion, but during colder months you can add an additional 170 BTU heater for your tent for \$350 including propane.
